

AT THE BEACH!

DOWN

1. The ocean rising and falling twice a day
3. White bubbly stuff left by waves
4. Five-armed creature found in rock pools
6. Heavy metal hook that keeps a boat in place
7. Long stringy seaweed
8. Colorful shade-giver planted in the sand
9. Noisy bird that steals your chips
13. Friendly jumping ocean mammal
14. A hill made entirely of sand
15. You dry off with this after swimming
17. To ride the waves on a board

ACROSS

2. A wooden walkway stretching out over the sea
3. Rubber foot gear that helps you swim faster
5. Rolling wall of water heading to shore
10. Colorful underwater reef material
11. Sideways-walking creature with claws
12. Person who watches over swimmers to keep them safe
16. A calm sheltered area of shallow water
17. The grainy stuff between your toes
